

# The Business Analyst Boot Camp

## Understanding Your Stakeholders Worksheet One

### **NEXT ACTIONS:**

*Print this worksheet and complete it, or do the exercises in a separate online document.*

*The first table is a list of the stakeholders that have been identified for our case study, the RightFinish House Painters software project.*

*The second table is the Stakeholder Categories artifact.*

*Sort the Stakeholder List into Categories in the second table below. The first few examples have been completed for you:*
